

Attention all referees who are under the age of 16-

You will need to have a work permit on file with us in order to work any league matches or tournaments Midwest Referee is responsible for assigning. **The work permit expires after 1 year and must be specific to Midwest Referee.** If you don't already have a valid work permit you will need the following to take to your school so they can issue one:

- Letter of Intent to work (see page 2 below)
- Original Birth Certificate
- Social Security card
- Consent letter from parents saying it's OK to work
- Sports physical

Each school is different in what they require, but virtually all requirements are on the list above. Take all of them and you shouldn't have a problem.

The letter of intent is below and can be filled in with the referee's name in two spots.

We will need a copy of the permit sent/given to us before we can allow any assignments to take place for league games and tournaments. When you have the permit, please scan it (or take a good photo) and upload it here:

This is Illinois law and we must comply with it. Thank you for your understanding.

Thanks!
